

# Declo Junior High - Ski Club Information Packet

Dear Parents, Guardians, and Students

It is once again time to begin planning for the annual Declo Junior High Ski Club. I have provided the enclosed information in order to inform you of the policies and procedures we will be following this year. Please read them carefully.

1. **Ski club will take place on Fridays.**

We will ski on January 11,18 (leave during exploratory),25, February 1( leave during exploratory) & 8. The 11,25 & 8 bus leaves at 3:15.

2. **The cost will be \$100.**

This includes lift tickets, ski or boarding lessons and transportation. Students need to bring a sack lunch, or money to buy dinner at the lodge. Dinner at the lodge runs between \$6-10 depending on what they buy.

3. **Rental equipment is available at Pomerelle.**

Skis, boots, and poles are available for \$10. Snowboard rental is \$15. This fee must be paid each trip at Pomerelle ski rental office. Please send check made payable to Pomerelle for ski/board rentals each night. You may also rent from anyone else.

Please be aware that this program is self-sufficient and receives no money from the school or school district. **Please pay early to ensure your student will be able to go.** We can only take 2 busses and once they are full we cannot accept anymore students. Last year we had 125 participants and filled both busses to capacity.

Registration packets must be returned by **Tuesday, January 8, 2018**. If you can, it would be nice to have them in before christmas break.

When returning packets, please do the following:

1. Turn in packet and completed forms to Mrs. Johnson. The registration/rental forms signed by both the students and the parent or guardian.

If you have any questions, please contact me at Declo Junior High, 208-654-9960, or e-mail me at [johkim@cassiaschools.org](mailto:johkim@cassiaschools.org). I look forward to another great year of Ski Club!

Sincerely

Kim Johnson, Declo Junior High Ski Club Director

Parents, please help unload the truck and trailer when it returns.
