Oakley Booster Club Scholarship

The Oakley Booster Club recognizes that continuing education beyond high school, whether it be through advanced training for a career or in the university setting is vital to future success. As such, the Booster club is committed to supporting student athletes beyond the K-12 setting. A portion of the Booster Club fundraising efforts is set aside every year to help student athletes as they move forward in their goals. The Oakley Booster Club seeks to award scholarships to young men and young women of Oakley High School. Individual scholarship amounts and awards are determined by the Board and will be presented in May 2020.
