

What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality curriculum and instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Cooperatively Developed

The parents, students & staff of Raft River High School have developed this School & Family Partnership for student success.

Parents are welcome to contribute comments at any time.

Students

It is important that I do my best. I know that my parents and teachers want to help me, but I am the one who has to do the work so I will: believe that I can and will learn; be responsible for my behavior; give work and school papers to my parents; pay attention and ask for help as needed; complete classwork with pride and to the best of my ability.
