Cassia School Trustees hired Diana Gill to serve as the new Vice Principal at White Pine Elementary school at their monthly meeting, April 11, 2017. Mrs. Gill is currently a third grade teacher at Mountain View Elementary. She has worked at Raft River and Albion Elementary, as well.

This is her 24th year in Cassia County and 21st year at Mountain View. She received her Bachelor's degree from Idaho State University and her Master's degree from Western Governors. Mrs. Gill was selected from a candidate pool of 39 applicants.

She views her new role as a way to "be there for kids and be a positive influence in their lives." She also sees herself assisting teachers and helping them do their jobs in the classroom. She comments that, "this is an exciting time in education where people are willing to try new things and see if there is something better than what we have been doing."

When she is not in the classroom, Mrs. Gill enjoys hiking camping, traveling and reading. She and her husband of thirty years, live in Burley and have 2 grown daughters.

Mrs. Gill will take her position August 1 and will transition in early summer. She replaces Ross Barson who will retire this year after 12 years at White Pine.
