

MOBILE APP

Life can move quickly, and now your healthcare insurance can keep up with you. With the Blue Cross of Idaho mobile app for smartphones, our members can take their health insurance with them on the go, giving them access to the key information they need wherever they are, whenever they need it.

FEATURES:

-  Search for doctors, clinics or hospitals by name, location or specialty
-  Search for urgent care closest to where you are
-  Sign in to see your progress toward your yearly deductible and specifics about your benefits
-  View member ID cards for you and your dependents
-  Email or fax member ID cards directly to doctors or care providers
-  Get contact information and driving directions for doctors, care providers or urgent care

Whether they need to search for a doctor or hospital, find out how much of their deductible they have paid for the year, learn what their benefits cover or even send a digital copy of their membership ID card to their doctor, members who use the app have the freedom and security of being able to have their health insurance at the tips of their fingers.

Members just need to sign in using their **bcidaho.com** online membership user name and password to access an array of features. Best of all, the Blue Cross of Idaho mobile app is free for download from both the Apple App Store and Google Play.
